Leasing business equipment gives your company more options and helps defy limits

## Free Your Finances:

- With leasing, your resources can be used with greater flexibility, like hiring the right people.
- In addition, your credit lines will be preserved so you can fund other areas of your business.
- We will work with you in developing a flexible payment schedule that best meets your needs.

## Continuously Update:

- With leasing you reduce the risk of having obsolete equipment.
- Instead, you will always have the most current tools working for you!
- Now you can afford to utilize equipment that previously may have been cost-prohibitive.

## Reap More Benefits:

- Lease payments can provide you with a tax break, and may be up to 100% deductible.
- Leasing guarantees you a fixed payment that is not susceptible to increased interest rates.
- Off-balance-sheet financing provides new equipment without affecting your current debt ratio.

## Why First Pacific Funding?

Because of our promise to provide you with quick, personalized service and the best value to you...
